

COVID-19: Staying healthy while you sail with us

- Our business has received a Reopen CT Badge indicating we are able to meet requirements about physical distancing, hygiene, sanitizing, personal protective equipment (PPE), training and much more. Outdoor recreation is currently considered one of the safest activities available. As an Outdoor Recreation venue, our business offers a terrific healthy outdoor experience and the flexibility to offer our trips in a safe manner.
- Until further notice, our public sailing trips will be limited to about half our normal number of passengers, in seating zones separated by six feet. See the SEATING ZONE CHART below and telephone 860-536-0416 before sailing if you have a seating preference. We will do our very best to accommodate your request.
- Rest assured that when you purchase tickets for a public sail aboard ARGIA, your party will be seated with appropriate social distancing between you and any other party.
- Our check-in process has been updated with social distancing in mind. It will be touchless with disposable boarding passes and elimination of choke points.
- You are still welcome to bring your own picnic basket or personal-sized cooler. We will not be serving food or beverages on our trips until further notice and our communal ice chest will not be available. Please remember to **bring your water bottle!**
- We will be cleaning and sanitizing all seating areas, touch-points, and the head (bathroom) between every trip. We will have hand sanitizer available for you during our trips.
- Our crew will be wearing face masks at all times for your safety. **You must bring a face mask with you** to wear at any time that you are unable to maintain social distance from other groups. Otherwise, enjoy the freedom of being with others in a beautiful and relaxing open air setting.
- There will be no public access to our office. All **check-in** for your trip will be done outside, **at the dock.**
- The measures our company is taking to keep you and our crew safe will be continually updated and noted here, based on State of CT, USCG, and CDC guidelines and rules.
- **Bring a water bottle**
- **Bring a mask**
