- Our business has received a Reopen CT Badge indicating we are able to meet requirements about hygiene, sanitizing, personal protective equipment (PPE), training and much more. Outdoor recreation is currently considered one of the safest activities available. As an Outdoor Recreation venue, our business offers a terrific healthy outdoor experience and the flexibility to offer our trips in a safe manner.
- We will be cleaning and sanitizing all seating areas, touch-points, and the head (bathroom) between every trip. We will have hand sanitizer available for you during our trips.
- Our crew will be wearing face masks at all times for your safety. **You must bring a face mask with you** and wear it at any time that you are unable to maintain social distance from other people.
- This year, we will not be able to provide the lemonade/water service or the communal ice chest that we typically offer. You are welcome to bring your own ice/beverage chest.
- You may order catering food through us or bring your own, as usual.

Due to the restrictions of operating during the COVID-19 pandemic, please note:

ARGIA is normally licensed to carry 49 passengers. We are limited this year to thirty (30) passengers for our private charters. We have adjusted our pricing accordingly.

The EV1* time slot is one half hour earlier after Labor Day and our EV2** time slot is not available after August 31st, due to the shortness of daylight.

A 15% crew gratuity (which you may increase if you wish) will automatically be added to your final payment.

Please plan to have your group at our dock at least 30 minutes before departure times listed above.

ARGIA is available for you to charter through mid-October.
