

## COVID-19: Staying healthy while you sail with us

- **Bring a mask**

- Our business has received a Reopen CT Badge indicating we are able to meet requirements about physical distancing, hygiene, sanitizing, personal protective equipment (PPE), training and much more. Outdoor recreation is currently considered one of the safest activities available. As an Outdoor Recreation venue, our business offers a terrific healthy outdoor experience and the flexibility to offer our trips in a safe manner. Enjoy the freedom of being with others, with space around you, in a beautiful and relaxing open air setting.
- We will have hand sanitizer available for you at boarding and during our trips.
- All of our staff and crew are fully vaccinated against COVID-19 for your and our safety.
- Until further notice, our public sailing trips are limited in the number of passengers we may carry. This limit may increase or decrease. Please be aware that the seating zone you purchase may be shifted slightly or have other seating zones immediately adjacent to it that did not show when you purchased, due to changes or removal of COVID-19 restrictions.
- Rest assured that when you book for a public sail aboard ARGIA, your party will be seated in a zone with required social distancing (per current State of Connecticut and Federal rules) between you and any other party. The seating zone you purchase is exclusively for you and your group. You may book online at [www.ArgiaMystic.com](http://www.ArgiaMystic.com) or you may purchase over the telephone by calling 860-536-0416.
- You are welcome to bring your own picnic basket or personal-sized cooler with soft drinks, beer, or wine. You may purchase individually packaged snack platters and bottles of water at the time of booking or onboard (while quantities last) during the trip. Our communal ice chest is not available this year. We are not able to offer our complimentary self-serve snacks.
- Our crew will be wearing face masks at all times for your safety. **You must bring a face mask with you and wear it at all times**, including during boarding and disembarking. You may remove it briefly while eating or drinking. This is now Federal law for all commercial vessels and is being enforced by the US Coast Guard.
- There is no public access to our office. All check-in for your trip will be done outside, at the dock.
- The measures our company is taking to keep you and our crew safe will be continually updated and noted here, based on State of CT, USCG, and CDC guidelines and rules.
